

APPENDIX 6. AIRPORTS

1. EXPLANATION. FAA Airports Program personnel, airport sponsors, and others involved in airport actions are directed to FAA Order 5050.4, Airport Environmental Handbook. FAA Order 5050.4 is a self-contained document which includes the policies and procedures of FAA Order 1050.1D, descriptions of the types of airport actions which require an environmental assessment and subsequent EIS or FONSI and those which are categorically excluded, and detailed information on the form and content of environmental documents. Compliance with FAA Order 5050.4 constitutes compliance with FAA Order 1050.1D for airport actions.
